Skill Development</p> <p>Marking Scheme: 1 mark for each study/survey Subject to maximum 2 marks for each of specified area and maximum 10 marks for all areas</p>
8.2.3.2 Page 17	Timelines and Penalty for Delays	<p>“In case of delay in submission of deliverables ..... .....construed as 1.3 week”).</p>	<p>“In case of delay in submission of deliverables ..... ..... construed as 1.3 week)”. New Line after above text: Total Penalty which can be imposed on the consulting or organization shall be limited to the work order value excluding GST</p>

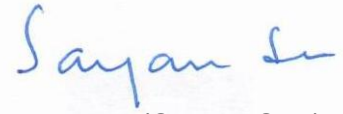

2) Clarifications:

2(a) It is clarified to bidders that studies and surveys in the iron & steel sector as referred in the Sl. No.4 (Sectoral Experience) of Technical Criteria can be from any of the focus areas as defined in Para 2.2 of tender.

2) (b) For evaluation of Technical Criteria of Sl. No.5, it is clarified that studies and surveys are not limited to iron & steel sector but must pertain to specified areas (Sustainability including Climate Change, Logistics, Safety, Trade & Taxation, Data Analytics & AI and Skill Development).

3) Necessary changes in the Annexures to the tender have been made to maintain consistency with changes made in the tender through this

corrigendum. All other terms and conditions of the tender No. JPC/HR&A/MoS/24-25/500 dated 04.11.2024 remain valid and effective and bidders are advised to submit their bids accordingly.
